Top Men Do Top Jobs

"What's this? Another recommendation for a student?"

Mr. Sam Perry is in his second year as principal of Hamtramck High School. He has the responsibility of running the school smoothly and coordinating the school program.

Mr. Paul Stamatakis is also in his second year as the assistant principal. He is responsible primarily with attendance and student discipline.

"He deserves some good words for his fine work in school."

Mr. Alphonse Kumor, as counselor, assists students in making their school year more enjoyable and meaningful.

Some of his duties are scheduling, advising on scholarships and financial aid, as well as making sure that the seniors meet the graduation requirements.

Communication Strengthens Understanding

Acquiring skills in communication is the aim of freshman and sophomore English. Increasing vocabulary and reading comprehension is part of a daily routine in these classes.

Shory fiction, American and world literature aid students in the use of the English language in written form, while enjoying novels, poems and nonfiction stories.

The main objective for the Honors English class offered to seniors is to give them a wide variety of reading experiences, along with a proficiency in the use of the English language.

Promoting an appreciation for foreign culture is the idea in the foreign language department. The goals being reached are the learning of a second language and a better understanding of the structure of out language in comparison to another.

Using a tape recorder in the foreign language classes in a new procedure, making it possible to get more practice on correct pronounciation, while leaving the teacher more time to help a student's individual need.

Being able to communicate with others is stressed in the interpersonal communication classes, while drama enables a student to be aware of his possiblilities of persuing a career as an actor. It also teaches a student to act out emotions along with stories and plays.

Students Learn About Science, Math

Today, the main purpose of social studies is to make the student aware of the world around him, by comparing it to the world of yesterday.

Included in this year's social study classes are Colonial History, Comparative Government, American History, New Nations, Sociology, Constitution and World History.

These courses cover many of the world's problem of today.

Students also obtain a historical and cultural background to cope with the rapidly changing world.

Vocational Courses Encourage Industrial Efforts

The main objective of Hamtramck High School's vocational department is to prepare students in industrial related careers and help them to succeed in today's corporate careers.

Offered this year are courses in printing, drafting, welding, woodshop, business education, machine shop, electronics, power mechanics and home economics.

Jobs are obtained for students enrolled in vocational programs through the co-op education director and student placements.

BOTTOM LEFT: Darnell Booth, Fred Green and Gregory Collins observe Mr. Gary Warren, Kyle Greenlaw and Steve Hilton connect electrical circuits.

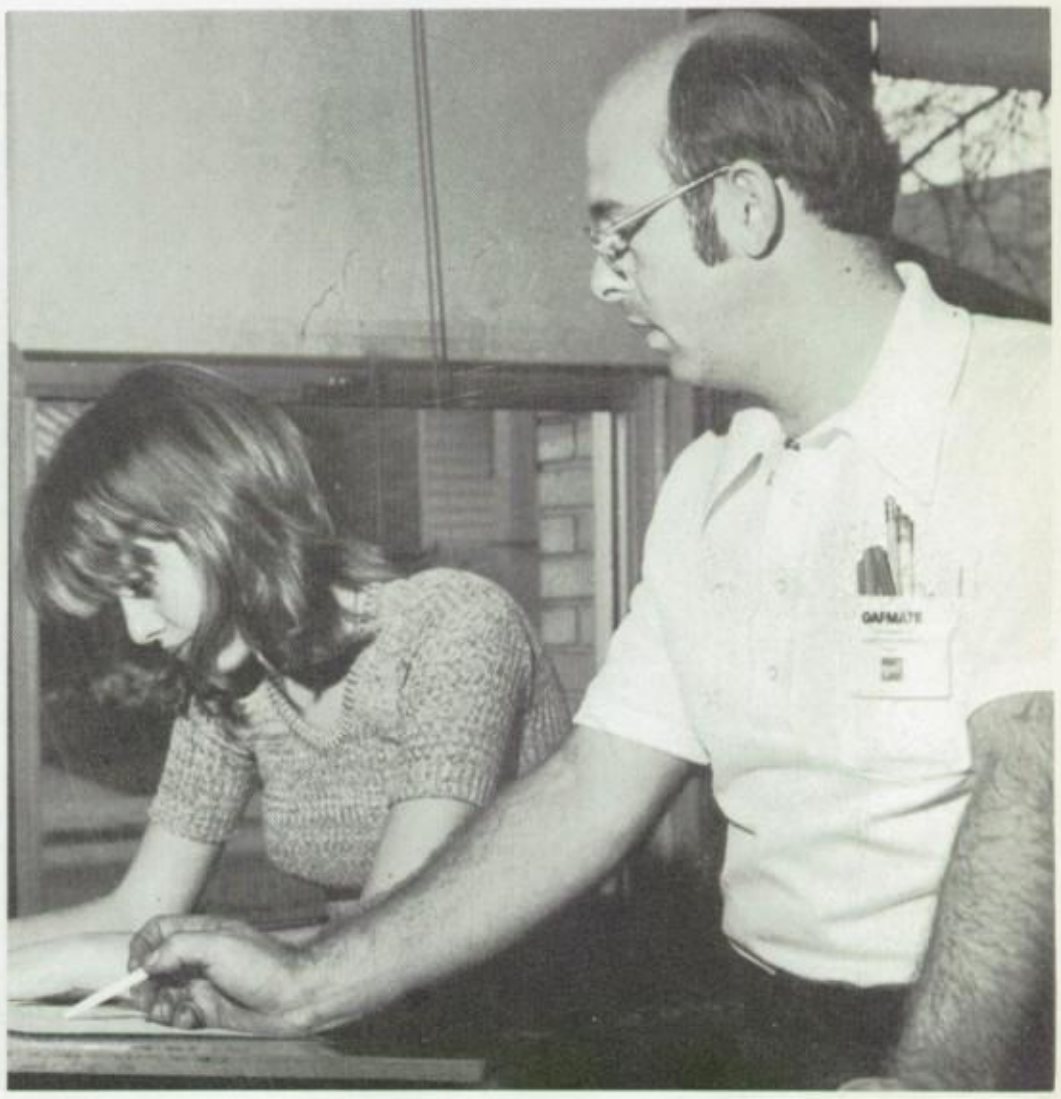
BOTTOM ROW: Mr. John Pagels, drafting, graphic arts, vocational printing; Mr. Edward Pokoj, vocational small engines, welding.



Commercial Skills Needed for Business World

The main objective of the business department is to prepare the students for the challenges that await them in the working world. To do this, Hamtramck High offers several business courses.

Typing and office machines teach students how to perform daily office tasks such as filing, handling mail and typing.

Also offered are accounting, in which pupils learn to keep accurate business records, and shorthand, where words are replaced by symbols to increase speed of dictation.

RIGHT: Mrs. Janette Garanzini, shorthand, typing; Mrs. Margaret Skipper, accounting, office machines, typing.

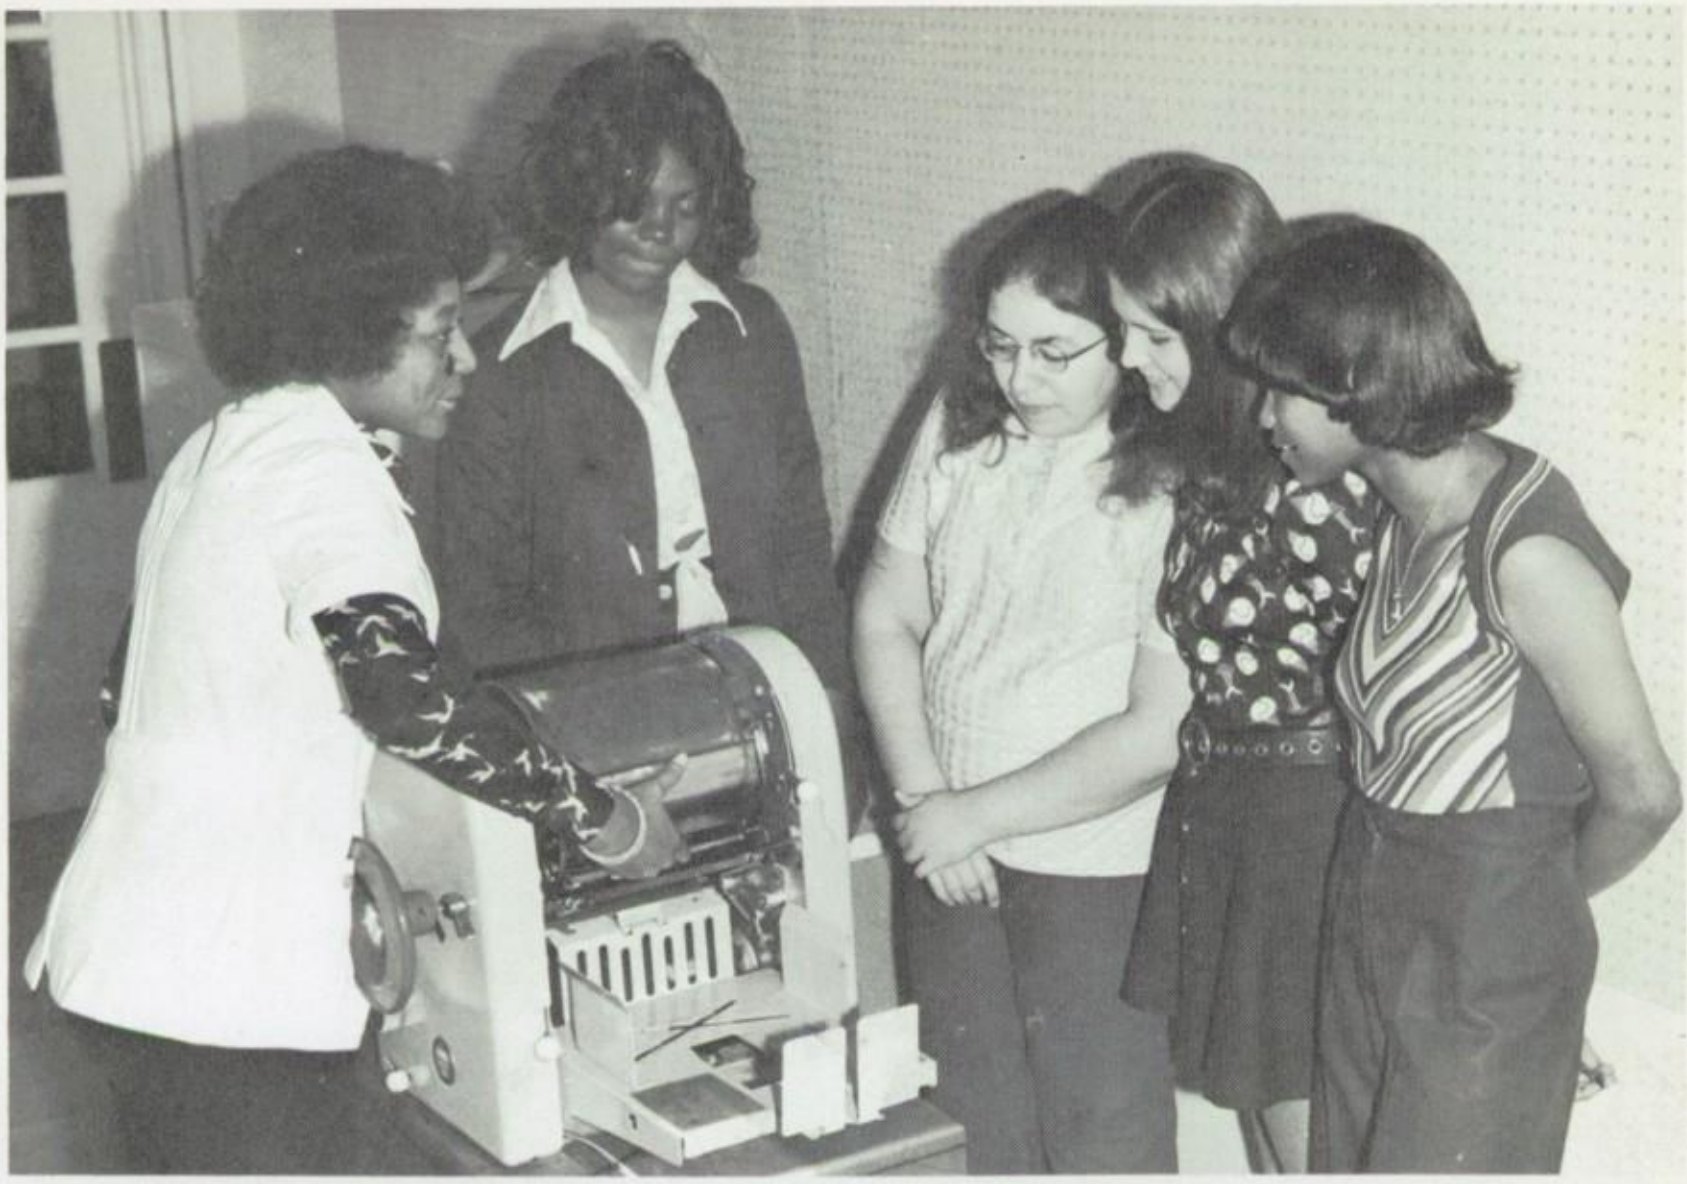
OPPOSITE TOP: Mrs Skipper explains the proper way to handle a mimeograph machine to Edween Robinson, Rosanne Magda, Debbie Strozynski and Lorraine Riggins.



Physical Education Builds Strong Bodies

Physical education provides an atmosphere which enhances the physical, mental and social capabilities of the students.

The physical education activities are offered in many varied categories, such as weight lifting, volley ball, bowling and tumbling.

There are fields of competitive sports: basketball, football, baseball, tennis and cross country.

This year, as part of an introduction to new physical educational activities, synchronized swimming has been introduced in the swimming class.

UPPER RIGHT: Top Row: Mr. Mitchell Filip, physical education; Mr. Artie May, boys' swimming, athletic director.

Fine Arts Permit Students to Express Themselves

The fine arts department of Hamtramck High School was developed to help students learn more about their individual interests and to give them a chance to improve their talents.

The three classes in this department include art, band and sewing.

Students in the art department learn color theory, then harmony. After this they may choose to work with oil painting.

Various crafts such as plaster, plaster and plastic combination are also done.

The band classes, beginning and advanced, practice every day to be ready for parades and programs in the school. Orchestra is also offered to those interested in instrumental music.

This year advanced sewing was added in the sewing department. The purpose of this is to give students who have had sewing before a chance to further their skills and work on more difficult projects.

BOTTOM RIGHT: Tanya Cotton measures her pattern, while Gladys Stephens and Lydia Wolinski work on their sewing projects.
RIGHT: Showing their artistic abilities are Harold Smith, Denise Pniewski and Robin Mertes.

School Provides Special Services

Mrs. Irene Carr

Mrs. Irene Carr is director of special services in the Hamtramck Public School system.

Working in her department are the following people:
Mrs. Katherine Alati, speech correctionist
Mrs Carol Potter, social worker
Mrs. Doris Yezman, psychologist
Mrs. Jacqueline Laster, speech therapist

Special Education attempts to develop the students potentialities so they can take their places in the outside world.

Taking care of themselves and being able to get along with people are just two of the basic techniques stressed.

This year, to introduce students to the nursing profession, a basic knowledge of taking vital signs, baths, bedmaking and setting up of oxygen equipment was taught.

The main purpose of the library is to improve the quality of a student's desire and ability to read.

Clerks are expected to achieve some degree of competence in locating and using materials.

Mrs. Florence DelAguila
Librarian

Clerks, Cooks, Custodians Service School

Special people helping the educational program at Hamtramck High School include the cooks, clerks and custodians.

The cooks prepare the hot lunches that meet state requirements.

School secretaries maintain school records, do the finances of the school, do official typing, as well as other needed things around the building.

Custodians do the needed repair work as well as keeping the building and grounds in good condition.

Student Government Helps Solve School Problems

Presenting the opinions of the students to the administration and discussing various school problems are the basic functions of Hamtramck High School's Student Government.

Members are elected by their respective classes. This year the group consisted of five seniors and four students from the three other grade levels.

The sale of American flags and a Christmas card exchange were sponsored by the organization. A Spring Festival was on the club's agenda.

This year, under a new sponsor, the club met every other week during alternating class hours.

Honor Society Recognizes Top Students

Promoting and encouraging outstanding students in scholarship, leadership, character and school service is the purpose of the National Honor Society.

A "B" or better average is needed to become a nominee. After being nominated, a student must be voted in by the group's senior members and the faculty.

Seventeen new members were added this year. The 11 juniors and six seniors were initiated at an evening meeting held in the library.

Some of the group's activities include Apple for the Teacher Day, a trip to Frankenmuth and the Fisher Theater.

Two of the members are applying for national scholarships.

French Club Develops Understanding,

Appreciates Culture

The purpose of the French Club is to promote a better understanding of the French culture and develop an appreciation for the French language.

At meetings held every second Tuesday, members discuss plans for activities having to do with French culture, people and places.

This year's activities included seeing "The Little Prince", a play by Antoine de St. Exupery. Going to a French restaurant and ordering in the language also highlighted the year.

Plans were made to sell T-shirts with the French flag imprinted on them to raise money for new classroom materials.

Students Excel in Foreign Language

To promote the understanding of Spanish culture and develop an appreciation for the Spanish language is the main purpose of the Spanish Club.

Meetings are held every Monday.

The highlight of their field trips was seeing Jose' Greco, a flameco dancer, at the Masonic Auditorium.

Members were invited back stage for autographs and personal interviews.

One of the popular activities is the Taco Sale held in front of the girls' gym at lunch time. The money raised is used for future activities.

The main purpose of the "Cosmos" newswriting staff is to record activities of the school through news articles, to entertain with features and to voice opinions in editorials.

Aside from the school paper, the staff makes weekly contributions to the "Citizen" and "Polish Daily" newspapers.

Although the reporters play an important part, it wouldn't be possible to produce a successful paper without the help of the copysetters, typists and the vocational printing class.

Hall of Honor Recognizes Former Students

Hamtramck High School's Hall of Honor has been in existence since 1966. Its two major purposes are to honor former students who have excelled in their respective fields and to encourage present students to achieve higher goals in life.

Qualifications which must be met in order to achieve a place in the Hall of Honor include being a ten-year alumnus of HHS, being of good character and making an outstanding contribution in a specific field.

New candidates are selected from a master list of about 100 names. Pictures and records of achievements of honorees are on display in the school near the office.

Instead of holding the usual ceremonies in the school auditorium this year, a banquet was held at the Detroit Polish Century Club in honor of the new and former member of the organization.

TOP: Mrs. Florence DelAguila, faculty member, congratulates her sister, Frances Zdanio, for being elected into the Hall of Honor.

BOTTOM: Community and faculty committeemen consist of Mr. Mitchell Wysocki, Mr. Stanley Wojcik, Mr. Nick Prychitko and Mr. Robert Nalette.

OPPOSITE TOP: Mrs. Julia Antonowicz and Mr. Sam Perry examine the master list of nominees.

OPPOSITE BELOW: The Hall of Honor committee plans the induction ceremonies. Sitting around the table are Mr. Perry, chairman; Mrs. DelAguila, Mr. Nalette, Mr. Prychitko, Mr. Artie May, Mr. Wojcik, Mr. Wysocki, Miss Annie Shelegey, Mrs. Antonowicz.

Seated: Tanya Cotton, Cathy Karbowski, Caridad Gonzales, Cheryl Batchelor, Ricky Hamilton.

Math Club Prepares Students for Future

In order to promote an interest in the mathematical field, a Math Club has been instituted at Hamtramck High School.

The club, which has been in existence for only a few years, has given many students a chance to observe math and science classes at the college level. This, in return, has given the members an idea of what to expect in the future if they wish to pursue a course in higher mathematics.

Among the trips planned and taken was a trip to Detroit Institute of Technology to observe and study the math and science classes and one to the University of Detroit to study the differences in the forms of math classes.

The Math Club tries to meet once a week if possible.

The Math Club is one of Hamtramck High School's newer organizations.

Top Row: Mark Moszczenski, Richard Raczka, David Kurpiewski, Darrel Winbush, Jackie Szeliga, Robin Ray. Middle Row: Mr. Carl Aardema, advisor; John Swetech, Donna Bugaj, Paulette Hicks, Joan Swetech, Mr. Silas Waldon, advisor

Seniors Present 'Wake up, Everybody'

Following tradition, the seniors presented their annual show, "Wake Up,Everybody" on April 9 and 10 in the Hamtramck High School auditorium at 7:30 p.m.

Due to a non-teacher strike, the rehearsal time was limited but, in the spirit of the theatre, the show went on.

The seniors presented such talents as acting, dancing, modeling, singing and pantomiming.

ABOVE: A few of the models, Ernestine Hamilton, Jim Fordham and Vevelyn Johnson display styles from "Fashions by Vevelyn."
RIGHT: Ernestine Hamilton listens as Miss Judy Lasinski, director, goes over the music sheets with Ricky Hamilton.

FUTURE
NURSES
CLUB

Girls Prepare for Future Nursing

The aim of the Nurses' Club is to teach basic nursing skills and introduce nursing techniques to students interested in the field of nursing.

Several trips have been taken to various nursing homes and colleges, including St. Joseph's Nursing Home and Mercy College.

The class gives the students a chance to work as a nurse's aide in a local nursing home.

The class is fully equipped with a bed, a bedside table, thermometers, stethoscope, blood pressure cuff, a suction machine, bandaids and dressings.

It is also equipped with an oxygen tank, oxygen tent and an oxygen mask.

Basketball Squad Completes Fair Season

The varsity basketball squad showed signs of quick maturity early in the year and went on to a surprising 11-10 record which was far higher than expected.

With just three seniors, only one of which started the previous season, the Cosmos mounted a 7-7 Metro Conference mark. In three of those seven losses, HHS fell by two points or less.

The 1975-76 varsity squad was a productive one.

Standing: Mr. Gary Koliba, assistant coach; Mike Stoliker, student manager; Tyrone Trawick, Walter Richards, Wendell Nolan, David Hill, Tony Merchant, Mr. Mitchell Filip, head coach.

Sitting: John Wrobel, Michael Dennis, Lawrence West, Jim Fordham, tri-captains; Ed Tereshinski.

The junior varsity squad completed the season with a very successful 10-7 overall record.

The junior Cosmos were 9-5 in Metro Conference play and with the exception of a poor start and disappointing finish, HHS was the only competition to Lutheran West, the league champ.

The 1975-76 junior-varsity basketball squad worked toward a winning season.

Standing: Robert Acuna, student manager: Duane Ryans, Ken May, Glen Montgomery, Ken Twyman, Leonard Brown, Bobby Jones, Mr. Gary Koliba, coach.

Seated: Joe Cappola, Wendell Thompson, Greg Montagne, Janiero Gray, Dwayne Coleman.

BOTTOM RIGHT: Mike Dennis dribbles toward the hoop with the help of a pick by John Wrobel.

Football Squad Breaks Even

Improving over last year's record, the Hamtramck varsity football squad achieved a 4-4 season.

As in previous years, the Cosmos won its opener against St. Ladislaus.

The experience gained during the season will help the players next year in its 1976 season.

A banquet at the end of the year honored players for their contributions during the season.

This 1975 varsity football team had a .500 season.

Cheerleaders Earn Recognition For Performance

Cheerleaders experienced a new exciting adventure this summer when they attended the Nation-Wide Cheerleading Association at Western University. The entire varsity squad and one J.V. member spent four days at Western.

Here they competed against other cheerleading squads in two cheering contest. Both times they rated superior. They received two blue superior ribbons for their ability.

In school they have led several pep rallies to promote school spirit. They cheered enthusiastically at all football and basketball games.

To raise money they sold confetti and pom pom shakers, besides holding several bakesales.

The varsity squad received new ''H'' jackets. Both squads received two king size pom poms, which were maroon with a white bullseye centers.

Orchestra, Band Add Zest to School

The band started the marching season with new members and new uniforms obtained by money raised from carnivals and raffles held by the HHS Parents Association.

The band participated in many activities this year. This included a trip to the University of Michigan's Band Day performance on September 27.

The bands activities didn't stop there. The group marched for every half-time game for the Cosmos football team.

Their parades included HHS, St. Ladislaus and St. Florian's homecoming, as well as the Detroit Fire Department's Fire Prevention Week parade. In the last activity they were presented a plaque by the Fire Department. A Bicentennial Thanksgiving-Christmas Parade and two parades for the spring added to their list.

The 1975 cross country team, which consisted of nine enthusiastic young men, had a disappointing season.

The team was dominated by freshman and sophomores who gained experience for another try next season.

The team attended the Metro Conference in Rouge Park and competed against six different schools, losing each race.

Getting off to a late start due to a strike, the tennis squad made up for it with the experience of 12 returning veterans.

Junior Leaders Promote Class Activities

After three successful car washes, the junior officers were able to put their plans into action with the help of the advisory board and their sponsor.

Buttons reading "77 Twice as Lucky" were sold and two profitable flower sales were held.

Participation was exhibited during Homecoming Week when members of the class worked to construct the junior float entitled "Universally United," upon which the junior queen and her escort rode.

The junior class showcase was kept timely by a display of announcements of future activities.

With the arrival of February came the class rings, a memorable event in the lives of the juniors.

The job you learn in the Army is yours to keep.

The jobs a lot of young men and women learn in today's Army can become careers in the Army. Or in civilian life. Jobs they never knew we had, or knew they'd be good at.

We've got over 300 job-training courses. Taught by excellent instructors, in good schools, with the finest equipment around. Jobs that could cost you a lot of money to learn in civilian life.

Today's Army pays while you learn. Starting at $361 a month, with promotions and raises as you move up in your job. Along with free meals, housing, clothing, medical and dental care. And 30 days paid vacation each year.

And there's a lot more you can get that few other jobs give you. A chance to travel. Like Europe, Hawaii, Panama, Alaska.

If you'd like to learn a job that's as valuable to you as it is to the Army, see your nearest Army Representative.

Today's Army
We've got a lot more to offer

THE MIGHTY CLASS OF '76 SHININ' ON!
CONGRATULATIONS, SENIORS

There's a Navy enlistment just right for you.

Your period of active duty can range from 4 months up to 6 years.

Never has the Navy offered so wide a choice of enlistments. You can sign up for as little as 4 months of active duty in the Navy "4x10" reserve program. If you have what it takes, you serve as little as 4 months of active duty, followed by active duty sessions of one evening a week or one weekend a month, and two weeks duty every summer for the balance of your six year obligation. One of the other opportunities is a full six-year enlistment in the regular Navy with highly-specialized training in a wide range of enlistment choices, along with your fair share of hard work and housekeeping chores. Find out more. If you are looking for a challenge—if you want to be Someone Special—stop in and see your local Navy recruiter today.

Vocational Printing Class Salutes America's Bicentennial By Saying:

PRESS ON AMERICA!©

Since the printed word - in tract or treatise, editorial or essay - has moved civilization steadily forward on this continent, as the hard learned lessons of one generation were passed to the next. As a result, we have seen no monarchy and no return to tyranny; we have suffered no second Pearl Harbor or no second Great Depression.

Benjamin Franklin,

Now, more than ever, the permanence of the printed word is vital - for the exchange of ideas in the fields of economics and ecology, politics and diplomacy; for the enlightenment of the public and for the documentation of progress in all fields of endeavor.

Through print, future generations can know in a day what it took us, in the mid-Seventies, years to learn. So we, the printers of your community, say to ourselves, Press On, gentlemen! Sell and instruct and inform for two generations - today's and tomorrow's.

And to all our countrymen during these uncertain times, we urge again -
PRESS ON, AMERICA!

The 1975-76 Vocational Printing Class, standing: Mr. John Pagels, instructor; Mike Byers, Bob Lewkowicz, Joe Grzywinski, Bill Rostek, Judy Wachnicki and David Kurpiewski. Seated: Keith Morton, Peter Trajkoski, Chris Bolek, Ron Lapkewych, and Louis Veselinovski. Absent: Bob Golebiewski and Jeff Sebree.

Staff Acknowledges Those Who Helped

Guiding the light for the 1976 yearbook staff are many people from students to professional yearbook craftsmen. We would like to thank all of them truly for being so co-operative and so helpful.

First of all, a "very special" unlimited amount of thanks goes to Miss Annie Shelegey, the yearbook advisor. With her understanding, patience and fine ability to teach, the staff was led every step of the way to the success of the 1976 Cosmos.

Capturing delicate moments and highlighting poses was Mr. Richard Pieronek of the Pieronek Studios.

Aiding the seniors in smiling mementos was Mr. Cass Pieronek.

Mr. Sam Perry is given a big thanks for his time and efforts in helping the yearbook in financial situations through advertisements. Mr. Paul Stamatakis always made the yearbook announcements on time. Mr. Al Kumor aided with the senior materials.

Then there is the faithful help of school secretaries: Miss Mary Paszkowski, Mrs. Matilda Nykiel and Mrs. Lottie Pietras.

Many thanks go to Mr. Pagels who for the first time set all copy, headlines and cutlines with the help of his printing crew.

Mr. and Mrs. Mack Suprunowicz and Mr. Russ Whitehead of Modern Yearbook helped in numerous ways. The staff is grateful to have had the pleasure of working with such a fine group of professional yearbook craftsmen.

Faculty members are given a large amount of thanks for co-operating and putting up with yearbook interruptions from the staff.

Finally a thanks to the people who make it possible financially, spiritually and visually--the students of Hamtramck High.

Thanks to all of the above the yearbook of 1976 will be "Shinin' On" forever. Most of the memories, good and bad times, are packed away in this book. May God bless all of them!

In order to produce this 1976 edition, Miss Annie Shelegey, adviser, and co-editors, Dominic Colone and Vevelyn Johnson, study other yearbooks.
